STATE/PROVINCIAL COORDINATOR : Hutch Walbridge (410)221-8838 x107

Main Points to consider are listed below. Please read accompanying Background & Instructions document

(1) Review the Training Tool Presentation before you plan to conduct your survey, https://migbirdapps.fws.gov/woodcock/trainingtooldocs.htm
(2) Conduct survey within dates shown on map (see reverse or accompanying Background & Instructions document)
(3) If your survey date falls in between the suggested dates and times above, please interpolate accordingly. DO NOT ROUND UP OR DOWN.
(4) Make sure to start the survey at the correct time according to sky conditions
(5) Start location (stop 1) should be at 0.0 mi/km with each subsequent stop at 0.4 mi (0.6 km) intervals; finishing (stop 10) at 3.6 mi (5.4 km)
(6) Listen for exactly 2 minutes at each stop
(7) You must complete the entire survey within 38 min. If unable to do so due to road conditions, contact your coordinator immediately
(8) Don't conduct survey if temp is below 40°F (5°C), in strong wind, or in heavy precip
(9) Contact your state / provincial coordinator promptly if unable to run your route within the designated dates on map
(10)If your coordinator also wants you to enter data online, please do so at the following website: https://migbirdapps.fws.gov/woodcock
